

COMMITTEE RESOLUTION 111-4

Resolved, that the Committee on House Administration Parking Policy is hereby adopted, as follows:

Committee on House Administration
Parking Policy
111th Congress
(Effective Date: January 3, 2009)

Parking Policy Overview

1. Parking in the United States House of Representatives garages, lots, and designated parking areas is for Members, staff, and authorized personnel in support of the House of Representatives. Parking in these areas shall be on a “permit only” basis.
2. All vehicles parked in House permit-only areas must display both valid license plates and current parking permits. Current permits must be displayed on the front fork of motorcycles and on the seat support of bicycles. The parking permit must be clearly visible upon entry and remain visible while parked on House premises. In addition to a permit, all staff must display a valid Congressional ID upon entering garages and lots.
3. The House will not be liable for any damage or theft caused to any motor vehicle, or contents thereof, while parked in a House parking garage or on a House parking lot, whether or not the garage or lot is attended.

Permits

1. Parking permits must be authorized through the office of a House employing authority and are available only to current House Members and staff holding a valid Congressional ID and current license plate. Permits shall be for the use of the permit holders as authorized by their employing authority only and are non-transferable among employing authorities. *See Violations.*
2. Members and staff receiving a mass transit benefit are not eligible for parking permits. (This does not apply to bicycles. Members and staff who utilize mass transit benefits can obtain a bicycle permit for the permit-only bicycle racks).
3. Spouses of Members may park in any garage or lot, on a space available basis and will be issued temporary permits if they are not using the Member plate. In addition, spouses will be required to present a Spouse ID.
4. The Director of House Garages and Parking Security will reassign permits upon receipt of written notification on office letterhead and signed by employing authority of the new authorized users and vehicles. Upon termination of employment or retirement, staff must have their permits removed.

5. Employing offices whose terminated staff do not return their parking permits (decals) will be subject to a 30-day waiting period before re-assigning “irretrievable” permits. The 30-day waiting period begins when House Garages and Parking Security is notified by the employing office of an “irretrievable” permit. Note: Departing employees may receive a temporary parking permit for their last day(s) of employment in order for a permit to be removed in a timely manner.
6. Non-staff temporary permits may be issued at the request of an employing authority. The location will be determined by House Parking Security. Requests should be on the office letterhead, signed by the employing authority and provide the user’s name and vehicle information (make, model, color, and license plate information). The maximum duration of temporary permits is 14 days. An individual may not be issued temporary permits which exceed 14 days in the aggregate in a six month period, unless otherwise authorized by the Committee on House Administration. Registered lobbyists may not receive temporary permits. Transit benefit recipients will only be granted temporary permits when approved by the Committee on House Administration.
7. Authorized permit holders who temporarily need to use an alternate vehicle should contact the Office of House Garages and Parking Security for a temporary permit for that vehicle.

Multiple Vehicles

1. Members and staff may register more than one vehicle to a single parking permit.
2. Staff with multiple vehicles should register their additional vehicle(s) with their employing office, which will notify the Office of House Garages and Parking Security. Parking permit decals will be applied to each registered vehicle by the Office of House Garages and Parking Security (G2-28 Rayburn).
3. Staff with multiple vehicles may have only one (1) vehicle parked in House permit-only areas at any one time. (*See Violations*)
4. Staff registering more than one (1) vehicle must show vehicle registration for all vehicles as proof of ownership.

Unreserved Parking

1. Members of the House may choose their unreserved parking space from any available space in the various garages/lots/streets.
2. Unreserved staff parking is available on a first-come, first-served basis in the designated parking areas assigned to the employing office.
3. Staff vehicles, including motorcycles and bicycles, may not be stored in unreserved spaces in House garages, lots, or designated on-street parking areas. “Stored” is defined as being continuously parked in an unreserved space for more than fourteen (14) consecutive calendar days. A vehicle not displaying both a current parking permit and valid license plates will be considered a “stored” vehicle.

Reserved Parking

1. Members of the House may choose their reserved parking spaces from any unassigned space in the various garages.
2. Staff must choose their reserved space from the designated parking areas indicated on their permit.
3. Each person who reserves or shares a reserved indoor space incurs additional taxable income as a working condition fringe benefit. Under the tax code and IRS regulations, Members and their employees have imputed taxable income to the extent that the fair market value of Government-provided parking exceeds \$215.00/month. The fair market value of a space at the House of Representatives is \$290.00/month and therefore, as of January 3, 2007, the imputed taxable income is \$75.00/month. These amounts are subject to change. (Contact Office of Payroll and Benefits for current rates at x51435.)
4. Individuals with reserved parking will be permitted to park their vehicles in their designated spaces for an indefinite period of time with valid license plates.

Member Parking Plates

Member parking plates are for the use of Member and spouse, as well as for immediate transportation of the Member by staff. Former Members will be permitted to park using either temporary permits or Member parking plates from previous Congresses, but must also present a former Member ID. The privilege of parking for former Members will not extend to former Members who are also registered lobbyists.

Carpool Parking

House employees interested in carpool parking should contact the Office of House Garages and Parking Security (extension 5-6749). Carpools must have a minimum of two employees from House employing offices.

If multiple vehicles associated with a carpool are found in the House parking areas at the same time, individuals associated with this carpool will lose their carpool privileges for the remainder of the current Congress.

Evening and Night Parking

Off-hour parking for swing shift employees, i.e., 2:00 pm to 7:30 am, will be allowed in House garages and lots based on space availability. Evening parking permits must be authorized through a House employing authority. Offices interested in evening parking should contact the Office of House Garages and Parking Security (extension 5-6749).

Americans with Disabilities Act

Staff authorized a parking permit by their employing authority who require accessible parking based on ADA considerations will be accommodated on an as-needed basis in spaces clearly marked for handicapped use. Such permits will come from the pool of permits assigned to the office. Staff will be required to display the State-assigned handicap designation.

Group and Event Parking

Parking for morning and evening functions on the House side of the Capitol Hill complex will be permitted before 8:30 am and after 5:30 pm on designated lots for groups requesting such parking accommodations through a House Member. The request should be made, in writing, on the office letterhead and signed by the Member, identifying the group, the date and time, the location of the function, and the approximate number of vehicles to be parked. Requests should be mailed or faxed to the Director of House Garages and Parking Security (G2-28 Rayburn, fax 6-1950). Groups will be accommodated on a designated outside House lot located as conveniently as possible to the function, based upon the space available.
